School Lunches!

24th February 2016

Dear Parents and Carers,

As you may already know, our school lunches are provided by Solutions SK. Here are some of their key principles:

- The Cook-in-Charge liaises with school to provide a varied healthy bespoke menu for our children
- Food is sourced from a local supplier and meat used is either Farm Assured or Red Tractor.
- Themed lunch days are offered throughout school to encourage more children to opt for school meals
- There is an increasing homemade element to food provided such as sauces, breads and pizza
- The menu is changed regularly and is seasonal. For example, it is planned that during the summer, children will be able to opt for a picnic bag with a hot sandwich, salad and fruit, dessert and drink rather than a hot cooked meal

We are aware that we may have a significant number of children who have to choose the vegetarian option because we currently do not offer a meat option that is Halal. We would like to gauge interest in the possibility of providing a Halal meat option alongside the usual meat option. This would mean that if, for example, spaghetti bolognese was on the menu, there would be the usual option **and** the Halal meat option. We would be very grateful if you could let us know what you think and return the slip to school.

Thank you!

Yours sincerely,

Miss Leech

School Lunches!

I / We would like there to be a halal meat option alongside the usual meat option Yes / No

I / We would choose school lunches for my child if there was a halal meat option Yes / No

My child currently has school lunches Yes / No
