NON-UNIFORM ON THE DAY - £1 TO REGISTRATION TEACHERS

Hi – The garden party is fast approaching and, as ever, we truly appreciate your support. This year it will be a little different to usual with a NON-UNIFORM DAY, variety of stalls from external businesses, delicious cakes, ice cream and refreshments, face painting, entertainment, games galore and competitions! See you there!

COMPETITION TIME

Open to all kids, 2 exciting competitions – so dust off your creative inspiration (or look on pinterest!!) and get crafting! Prizes for the winners.

Model Cake Bake Off

Create a cake – it could be clay, cardboard, junk modelled, glitter, wool, paper – anything goes! It must just be a model of a cake.

Miniature Garden

Well, it is a garden party after all – miniature gardens could be for fairies, elves, tropical gardens, cottage gardens – you could use living materials or draw them/model them.

You can enter both competitions if you wish! The entries must be in school by the morning of the 20 May 2016 and they will be displayed in the hall for parents and visitors to enjoy during the party.

Helpers! Can you help set up on the day? Or clear up afterwards? If so please see Tamsin Morris or Kathryn Boulahia or contact us on the PTA facebook page.

BAKE A CAKE

Calling all bakers!! Please can you donate a cake for the cake stall? All donations (home-made or bought – don't be slaving in the kitchen if you're short on time) will be gratefully received.

Please bring into school on the morning of the party.

BOOK STALL

Do you have any unwanted children's books?

If so, please could you bring them into school between Monday 9 May and Friday 13 May.

We will sell them at the party at bargain prices and it is a fab opportunity to trade in your books for some new reading inspiration.

Did we mention the cake? YUM!
