

Cheadle Primary Christmas Market – Friday 2 December 2016

This year the Christmas fundraiser is going to be a little different – we hope that you will enjoy it. The idea is to make it a little simpler, less busy, more food and drink and to bring the school community together in the festive season!

Before the market

We would greatly appreciate your support in bringing the following items into school prior to the Market.

Raffle – any unwanted gifts, unopened toiletries or other hamper items would be very useful. Please drop off at the office asap

Chocolate Tombola – Please bring any chocolate items into registration teachers w/c 21 November

Bottle Tombola – any bottles (alcohol, soft drinks, toiletries etc) to registration teachers w/c 28 November

Craft Competitions

We would love your child to get creative so we can decorate the hall in a lovely festive manner! They can either:

1. Make a festive tree ornament

These will be hung on a massive Christmas tree for us all to enjoy during the fair.

2. Make a 3D winter scene

This could be a winter fairy garden, a mini elf house, a Santa's Grotto, a snowy scene. Anything goes so get creative!

Your child can enter one or both competitions and there will be prizes for the winners! The entries will be on display during the market for you to peruse with your child.

Please bring your entries in to the hall before school on the morning of Friday 2 December 2016.

Food!

Thanks to everyone for their amazing contributions to the Cheadle Primary PTA Cookbook. It's going to look amazing and has a wide range of recipes in and gorgeous artwork from the kids. It will be on sale at the Market!

International Food Stall – Mrs Singh has kindly agreed to run her very popular International Food Stall again – if you would like to contribute food items then please have a chat with her!

Festive Baked Goods Stall – If you're a keen baker then we need your yummy cakes, mince pies and festive treats for our cake stall! (it needn't be home made if baking isn't your thing!). Please bring your contributions to the hall on the morning of the Market.

Mulled wine This year we will be serving both non-alcoholic and alcoholic mulled wine to keep out that winter chill!

Festive Jumper Day!

On the day of the Market children are allowed to wear a festive jumper, top, glitzy top to school – this is £1 per child. Please bring in your money and give it to registration teachers.

Entertainment

The Market will **START AT 2:45 FOR PARENTS ONLY**. The school choir will perform in the hall from 2:45 for you to enjoy before the market gets too busy – you'll have a chance to peruse the stalls and hopefully have a drink in peace before the children arrive.

The Cheerleaders will perform in the school hall at 3:30

There will be mini-rascals doing super hair-dos and facepaints and tattoos as well!

Timings

The Market will start at 2:45 for parents but children will finish at the **USUAL TIME OF 3:10**.

Volunteers!

A huge thanks to everyone who has already volunteered to help! If you are able to come along in the day and help set up then this would be wonderful. The majority of the event will be in the playground and therefore it will take quite a team to put up the gazebos and set up the stalls. Many hands make light work!

If you can help then please email us at pta@cheadleprimaryschool.co.uk
