Dear Parents and Carers

I am delighted to let you know that I will offer a Fun Maths Club next half term for children in Year 4 and Year 3. During the club we will focus on multiplication and its use in maths. The club will aim to offer extra support to the children in developing their maths skills and consolidating their knowledge, using a wide range of resources including some exciting maths games.

The club will run, from 3:10 p.m. until 4:10 p.m., for 6 weeks, every Tuesday from the 6th of January 2026 until Tuesday 10th of February.

The full cost is £30 and payment can be made via Parent Pay (any queries about Parent Pay, please contact the school office).

There will be a limited number of places available (15 places) in order that I can give individual attention.

To book a place for your child, please complete the consent form below and return it to the school office. Payment must be made on Parent Pay to confirm your child's place.

Thank you
Mrs M Cara
