## After School Cookery Club: Cheadle Primary School

January 2026

Dear Parents & Guardians,

Welcome to Kids Cookeryland Cookery Club. The weekly cookery club at Cheadle Primary will continue in the Spring 2026 term on it's new day **MONDAY**. I am Chef Kelly and have been a personal chef for over 18years, my background is in child education and started Kids Cookeryland in 2013 running weekly cookery clubs in local schools with huge success. The response we get from parents, pupils and teachers is overwhelmingly positive. The rest of the team is made up of qualified teachers, TA's, and passionate school kitchen managers.

We cook both savoury and sweet recipes in our hands on club; the children do all the prep, cooking and washing up. Examples of recipes are stir-fries, cakes, curries, biscuits, chicken nuggets, pastry dishes and pasta dishes. Our hygiene and cleaning regime is at the highest and this will always be maintained.

Cooking is an amazing activity that all children love to do. It's fun, therapeutic and as well as being a major cross curricular learning enhancement activity, it boosts self-confidence, improves mental health and emotional well being not to mention it being an important life skill.

We are passionate about positive reinforcement and building confidence. Our aim is to bring food to life, inspire children to connect with what REAL food is, where it comes from and how it affects their bodies and minds. We roll our sleeves up and get stuck in, working as a team and as individuals to create yummy food from fresh ingredients. **We cook new recipes each term so your child can enjoy cookery club even if they have cooked with us before.** As an external provider, booking onto Cookery Club is direct with us via our online Bookwhen platform. Please see the details below on how to book your child/children onto the club.

**The club runs straight from school. Places in the club are very limited and are allocated on a first-come basis. Please make payment at the time of booking to secure your child's place.**

All ingredients and equipment are included in the cost; there is no need to bring anything to the class.

**MONDAY – JUNIORS (Years 3, 4, 5 & 6): 3.10 pm – 4.35 pm**

**The Spring 2026 Cookery Term starts Monday 12th January and ends Thursday 26th March (with one week half term) and costs £170.**

If your child would like to participate, please visit <https://bookwhen.com/kidscookeryland> using **password BBQ26**. You will need to book each child separately and complete the form for each child, including any dietary requirements.

**Completing a booking form does not guarantee a place; payment must be made to secure the booking. Payment is offline via direct payment as detailed on the booking form. Unconfirmed bookings (by non-payment) will automatically be cancelled after 24 hours.**

We look forward to cooking with your child very soon!

Chef Kelly & Team
