Section 8 - Our response

The school will acknowledge your request and respond without undue delay and normally within one calendar month. The period begins when the school receives the request or, where reasonably required, the information needed to confirm identity or authority. If the request is complex, or you have made several requests, the response period may be extended by up to a further two months. The school will tell you within the initial one-month period if an extension applies and explain why.

These rights are not absolute. The school may need to keep or continue using information where the law permits or requires this, and exemptions may apply. If the school cannot comply fully or partly, it will explain the decision and tell you about the available complaint routes.

You may raise a data protection complaint with the school using: https://cheadlevillageprimary.co.uk/wp-content/uploads/2026/10/Data-Protection-Complaints-Guidance-Cheadle-Village-Primary-School-October-2026-2.pdf
